Dear Roxbury Prep Family,

On behalf of all of us here at Roxbury Prep, we are pleased to share our District Report Card with you.

Given the transition to the new state test, Massachusetts is not giving schools accountability levels. You can find more accountability information on the DESE website:

<http://profiles.doe.mass.edu/accountability/report/school.aspx?linkid=31&orgcode=04840505&orgtypecode=6> & . You can also find the schools' report card and further information at <http://profiles.doe.mass.edu>.

Finally, because Roxbury Prep receives federal Title I funds, you also have the right to request the following information about the qualifications of your child's classroom teachers:

- Whether your child's teacher is licensed in the grade levels and subject areas they teach
- Whether your child's teacher is teaching under an emergency license or waiver
- The college degree and major of your child's teacher
- Whether your child is provided services by paraprofessionals and, if so, their qualifications

For more information about what we are doing to improve student achievement or to request information about the qualifications of your child's classroom teachers, please feel free to contact us. For a full copy of this report card, or to see report cards for other schools, visit <http://profiles.doe.mass.edu>.

If you would like to discuss these reports, do not hesitate to reach out to us. We are honored that you send your child to Roxbury Prep, and we thank you for your continued partnership!

Sincerely,

Oliver D Truog
Regional Director of Special Projects
